#### DEPARTMENT AUTHORITY

### MAJOR PROGRAM CHANGES

- The Budget proposes a reorganization that would consolidate the functions of the California Postsecondary Education Commission (CPEC) and the California Student Aid Commission (CSAC) and decentralize the administration of financial aid, including CalGrants, to the higher education segments. The Budget anticipates a partial-year savings of \$2 million assuming mid-year implementation of this proposal, which is scored under a separate organization code. A new control section is proposed that would authorize the Director of Finance to shift funding from the existing appropriations for CPEC and CSAC consistent with this reorganization.

voluntarily-created Education Roundtable and a Statutory Advisory Committee established pursuant to Section 66901 of the Education Code. The governmental relations activities of the Executive area are the primary means by which the Commission establishes and maintains liaison with the Legislature, the Legislative Analyst's Office, the Governor's Office, and the Department of Finance. Major activities include reviewing, monitoring, and providing summaries of all legislation and budget proposals related to postsecondary education in California, as well as providing direct testimony to appropriate legislative committees. The Executive Office also manages the Commission's accounting, contracting, and personnel functions.

### POLICY AND FEDERAL PROGRAMS

The Policy and Federal Programs Unit is responsible for policy analyses and evaluation activities. It also is responsible for program and facilities review, fiscal and policy analysis, and for carrying out many of the Commission's specific charges delineated in Sections 66903 and 66904 of the Education Code. This unit also has primary responsibility for preparing responses to legislative or gubernatorial requests for information on postsecondary education pursuant to Section 66902 of the Education Code. The Federal Programs component of the unit is responsible for the administration of the federally-funded Improving Teacher Quality Grant Program. The unit is also responsible for the Commission's business services function and the oversight of its agenda production.

### INFORMATION SYSTEMS AND ADMINISTRATIVE SERVICES

The Information Systems and Administrative Services Unit is responsible for the collection of data and maintenance of a comprehensive data system on postsecondary education. The unit provides general support services to the public and to Commission staff. This unit coordinates the annual collection of data for the Integrated Postsecondary Education Data System survey by the National Center for Educational Statistics and maintains historical data on the enrollment characteristics and degrees awarded to students in all public, and many independent, colleges and universities. The Commission's database provides the foundation for its policy analyses, annual publication of data abstracts on various postsecondary education outcomes, and research by members of the education and public policy communities.
